

## Find a Discipleship Group that is right for you!

A Discipleship Group is a group of 6-12 people who meet weekly (usually in homes) to build friendship, explore our faith, and learn and grow together.

Most groups are Bible Studies, but some focus on prayer or mutual support. All groups welcome people where they are in their faith.

Most groups meet for a set number of weeks and then regroup to make space for more people to participate. Others are ongoing.

Most groups will welcome new people in the first few weeks of meeting; others welcome walk-ins.

Some groups are coordinating childcare; contact the group leader for more information.
